This project has received funding from the European Union's Horizon 2020 Coordination and Support Action under Grant Agreement No 700583.

PEACETRaining OBJECTIVES

- ✓ Reviewed current understanding and training related to Conflict Prevention and Peace Building (CPPB) Trainings.
- ✓ Developed novel training methods in the field of CPPB with e-approaches and created a multidimensional curricula model.
- ✓ Analysed existing CPPB training curricula across Europe by running a multi-perspective exploration.
- ✓ Provided an interactive PeaceTraining.eu Web Platform to strengthen the information transfer of all project developments and future implementations.
- ✓ Involved CPPB experts and actors along all project phases via surveys, interviews, and focus groups.
- ✓ Leveraged the collaboration between the training recipients and practitioners through an intelligent pan-European and international PeaceTraining.eu Catalogue.
- ✓ Increased awareness on CPPB channels and media across Europe through promotion of the PeaceTraining.eu outcomes.
